O R D E R

On November 16, 1998, BellSouth Telecommunications, Inc. ("BellSouth") and American Phone Corporation ("American Phone") submitted to the Commission their negotiated agreement for interconnection of their networks, the unbundling of specific network elements, and the resale of BellSouth's telecommunications services. The agreement was negotiated pursuant to the Telecommunications Act of 1996 ("1996 Act"), 47 U.S.C. Sections 251 and 252. Section 252(e) of the 1996 Act requires the parties to an interconnection agreement adopted by negotiation to submit the agreement for approval to the Commission.

The Commission has reviewed the agreement and finds that no portion of the agreement discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that the implementation of this agreement is consistent with the public interest, convenience, and necessity.

American Phone must comply with all relevant Commission mandates for serving in this Commonwealth.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS
that:

1. The negotiated agreement between BellSouth and American Phone is approved.
2. American Phone shall file a tariff for local service prior to providing local service giving 30 days' notice to the Commission and shall comply with all Commission regulations and orders as directed.

Done at Frankfort, Kentucky, this 10th day of December, 1998.
